This is what our clients had to say about us

Daniel Björnemalm (Sweden)

We hired Valerie and her team for a full service at a big house in Marbella during a 4 day kickoff with my company. 28 people served with breakfast, lunch and dinner every day. and what they did was pure magic. they where so service minded and really did their absolute best every day. the food was really great. the paella was just a superstar course!!! I have already booked Valerie and her team for my next stay in Marbella in a month for my 40th birthday party.
If you are looking for the best, stop looking further. 5 stars!!!

Lee McQueen (U.K.)

This is THE personal Chef service in Marbella! The food was amazing, the service was outstanding and shopping list service is a no brainer too! Valérie was on another level when it comes to going above and beyond for her clients... we where really well looked after and couldn't sing their praises enough! Team Willems you rock!
Look forward to hosting another party with you catering for us!

Charlie Gray (U.K.)

Valerie and Florijn - what a fantastic pair! The food was delicious and the service was fantastic. We had them come out to our villa on two separate occasions. The first was for brunch on our first day and the second was a surprise BBQ for a friends Birthday. Both occasions were truly wonderful. Thank you for your amazing food and the great service! We will see you next year.

Dr. Sandor Nagy (Hungary)

The dinner was excellent, more than we expected! Valerie & Flo made a wonderful job, preparing amazing seafood dishes! Hope we have chance to see them soon again!

Barry Vorstenbosch (The Netherlands)

We stayed in Villa Siempre Domingo with a group of 11 people and at first we where looking for people who could make a "a meal". Then we got in touch with Floryval and met Valerie. They really took service to the next level and supported us in the best way possible. Not only did they serve us with a stunning breakfast, Lunch, BBQ and Dinner but next to this they arranged for our beds to be made in the morning and arranged for a golf course and buggy trip.. THANKS VALERIE & FLORIJN for making us feel like ROCKSTARS

Tony Lylle (U.K.)

I mean what can I say !!! I'm on a business trip and these lovely professional crew have 1 million % exceeded our expectations I feel so looked after! Friendly and amazing Chefs Michelin star (in my opinion) quality I would massively recommend you all and once again from the bottom of my heart say thank you !! Xxxx OUTSTANDING

Charles Kravetz (USA, Boston)

Val and Flo are totally charming. As a group of Americans we found them lovely and fun and so gifted as chefs and servers. The paella was so delicious, moist and fresh and hot and filled with the most amazing ingredients. The ali oil was especially wonderful, rich with garlic and pepper. Crema Catalana was a delightful dessert. We loved the food and we loved them. They also made a kosher paella for one of us which was magical. You will so appreciate everything about Floryval. We can not recommend them enough. Enjoy!

Alice Roper (U.K. / Sotogrande)

Valerie and her team were a joy to deal with. They were friendly and efficient. I had a drinks party for 35 people and they provided all the canapés - they went down a treat - especially the paella balls!!! I would highly recommend their services.
Thank you!
